

TERMS OF USE

This script is the property of Damien PONNELLE (hereinafter referred to as "the author") who distributes it according to the principle of FREEWARE. No financial contribution is therefore requested for its use, whether in a personal or professional context.

Because this is an uncompiled deliverable, anyone can modify this script to suit their needs and can redistribute it freely as long as the original source (site and author) is not obscured. However, it is forbidden to distribute it for money.

This script is provided as is, without any warranty. The author can in no case be held responsible for any material or software damage caused directly or indirectly by its download or its use.

Use of this script implies unconditional acceptance of all the terms of this license agreement.

Thank you for your trust and good use!
Damien PONNELLE.
